

## REMARKS

Claims 1-62 are now in the application. The indication that claims 1-62 contain allowable subject matter is hereby noted with appreciation. The specification has been amended as suggested by the Examiner. Drawing 3 has been corrected as suggested by the Examiner. In addition, the format of claims 1, 24, 30, 38, 49 and 57 has been amended as requested by the Examiner. The amendments to the specification, claims and drawing do not introduce any new matter.

The objection to the specification has been addressed by the above amendment to the specification. The objection to the drawings has been addressed by the amendments to Figure 3. In particular, Figure 3 now recites "AMENDED". Also, the objection to claims 1, 24, 30, 38, 49 and 57 has been overcome by the above amendments to the claims.

The rejection of claims 1-62 under 35 USC 251 as being based upon a defective oath or declaration has been overcome by the filing of the attached Supplemental Declarations.

In view of the above, consideration and allowance are, therefore, respectfully solicited.

In the event the Examiner believes an interview might serve to advance the prosecution of this application in any way, the undersigned attorney is available at the telephone number noted below.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 22-0185, under Order No. 20136-00272-US.
